

Rotary Works is a vocational service project offered by Rotarians, for Rotarians and Rotaractors. If you're not in career transition, perhaps you can do someone else a favor and forward this email to them. OR, if you're able, you can help financially, as well: [Support the Impact Fund](#) We have raised \$20,000 to help Rotarians impacted by job loss.

**If you are** in career transition, we hope you found value in last month's program, **Essential Tech Tools for Marketability**. That recording, along with those of prior sessions are at: [www.Rotary.Works](http://www.Rotary.Works) **Non-Rotarians can register there, also** for upcoming sessions that are packed with ideas and strategies that will be helpful to anyone at any point in their career path. Do forward this link to anyone you know who is in or contemplating a career transition.

**Have you experienced financial stress due to a recent career transition?** Would a one-time grant from the Rotary Works Impact Fund help? Click here for more info in the [April Rotary Works Newsletter](#)

Don't miss the April 14 Session -- **So, You Want to be Your Own Boss?** If you're considering or have ever considered owning your own business you'll want to hear "The Good, The Bad and The Ugly" of business ownership from 3 Rotarian entrepreneurs.

Upcoming sessions are open for Registration. The Zoom link will be exactly the same, but we would appreciate you registering for each of the upcoming sessions (**all at 1:00 pm EDT, 2nd Wednesdays**). If you're not sure whether you're registered, click the links below to check - we won't double-register you.
