

Good afternoon,

Making it public here, in wake of Hurricane Sally obviously our club will not hold meeting tomorrow, September 16, 2020. We will resume next Wednesday, Lord willing. Thanks to everyone who was able to attend in person last week. We had a lot of fun and hopefully soon we will host with more capacity.

Also it was a nice touch to be able to Facebook Live our meeting for other members to follow along, as well as garner some online presence and attraction to our club. Look forward to doing again with some great speakers Rick Stevens has been able to secure.

I speak for all I'm sure in hoping everyone stays safe during this storm.

Sincerely,

Matt Simpson
2020-2021
