

10-05-21

Dear Rotarian,

Due to the expected heavy rain in our area during our meeting time (and since it's going to be outside), John and I have decided to cancel the meeting tonight and push it to next Tuesday. We would really like a strong showing and don't want to have the rain keep rotarians from joining us this evening.

Regards,

Jason Monroe

10-04-21

Dear Fellow FWB Rotarian,

We will be hosting one more After Hours Club at AJ's on the Bayou, October 5 at 5:30pm. John and I have heard the request for an alternative option for Rotarians to meet in Fort Walton Beach, but the attendance has been low and mostly attended by Rotarians that are typically present at the Wednesday Club. This is a final event to gauge interest in an afterhour Rotary Club in Fort Walton Beach for 2021, but as it stands right now, the response has been extremely weak. The good news is that it has helped us jumpstart an idea of a monthly social event.

Final word: If you are interested in having an After Hours Club here in Fort Walton Beach, then please attend this Tuesday.

Best Regards,

Jason Monroe
