The Object of Rotary

The Object of Rotary is to encourage and foster the ideal of service as a basis of worthy enterprise and, in particular, to encourage and foster:

FIRST the development of acquaintance as an opportunity for service

SECOND High ethical standards in business and professions, the recognition of the worthiness of all useful occupations, and the dignifying of each Rotarian’s occupation as an opportunity to serve society

THIRD The application of the ideal of service in each Rotarian’s personal, business and community life

FOURTH The advancement of international understanding, goodwill, and peace through a world fellowship of business and professional persons united in the ideal of service.

Efforts are being made to overcome the scepticism with which some in the endemic countries view the vaccines and eradication efforts. By educating religious leaders and scholars about the poliovirus and explaining religious justifications for vaccine acceptance, the Islamic Advisory Group for polio eradication and its national equivalent equip people with the tools to act as health advocates. The same skills that help scholars engage with parents about the polio vaccine are applicable for wider health and hygiene practices.

Rotary Roster

The Four-Way Test
Of the things we think,
say or do:

- 1) Is it the TRUTH?
- 2) Is it FAIR to all concerned?
- 3) Will it build GOOD-WILL and BETTER FRIENDSHIPS?
- 4) Will it be BENEFICIAL to all concerned?
