## COUNCIL ON LEGISLATION TO MEET IN CHICAGO 10-15 APRIL

Representatives from Rotary clubs worldwide will gather in Chicago 10-15 April to consider changes to the policies that guide Rotary International and its member clubs.

The Council on Legislation meets every three years and is an essential part of Rotary's governance. The representatives -- one from each Rotary district -- review and vote on proposals that seek to change Rotary's [constitutional documents](#) and on resolutions that express an opinion or make a recommendation to the Rotary International Board of Directors.

[Get live updates and daily vote totals](#) on My Rotary beginning 11 April.

Many of this year's proposed changes are designed to increase membership by giving clubs greater flexibility in the timing and the nature of their meetings. Other proposals would amend membership requirements.

Over the decades, Council representatives have debated virtually every nuance of Rotary policy and membership and attendance rules. The five-day meeting is one of Rotary's primary agents for change, allowing the organization to evaluate and enhance its relevance in a rapidly changing world.

## THE OBJECT OF ROTARY

The Object of Rotary is to encourage and foster the ideal of service as a basis of worthy enterprise and, in particular, to encourage and foster:

- FIRST. The development of acquaintance as an opportunity for service;
- SECOND. High ethical standards in business and professions; the recognition of the worthiness of all useful occupations; and the dignifying of each Rotarian's occupation as an opportunity to serve society;
- THIRD. The application of the ideal of service in each Rotarian's personal, business, and community life;
- FOURTH. The advancement of international understanding, goodwill, and peace through a world fellowship of business and professional persons united in the ideal of service.

## THE ROTARY FOUR WAY TEST

- 1) Is it the truth?
- 2) Is it fair to all concerned?
- 3) Will it build goodwill and better friendships?
- 4) Will it be beneficial to all concerned?

## Upcoming Speakers
