Rico Dymond, Executive Director Project Hope Recovery Center Florida

My name is Rico Dymond. I currently serve as the Executive Director at Project Hope Recovery Center's Florida location in Ft. Walton Beach. We have been at this location for 2 years and are thankful for the community support that is here. I originally started serving at our TX location back in 2013 and have been with them for a little over 5 years now. Our center is a non profit that helps men overcome addictions and any life controlling issues. My wife Ashley currently serves as the

Program Director at our FL location and we are hoping to be able to open a woman's center in the near future.

Project Hope's purpose is to provide men and women with an effective and comprehensive Christian faith-based solution to life-controlling problems. By applying biblical principles it is our belief that people with life controlling addictions can become mentally-sound, emotionally-balanced, socially-adjusted, physically-well, and spiritually-alive.

Our goal is to help residents establish chemical-free lifestyles in connection with issues they identify as life-controlling and to recognize that these skills and tools are transferable to future problems and challenges they will face.

This faith-based residential program assists individuals in recovering from drug and alcohol addiction and the life-controlling problems associated with it. In addition, residents work on overcoming rebellion and the self-destructive behaviors associated with their substance abuse and developing positive life skills. Residents participate in spiritual growth activities, individual counseling and various outreaches.

2018-2019 Rotary Citation

The **Rotary Citation** recognizes Rotary Clubs that support each of our strategic priorities by completing certain activities. Clubs have the entire Rotary year to achieve the citation's goals.

This year, clubs can receive the **Rotary Citation with Presidential Distinction** when they achieve the Rotary Citation plus one to three additional goals.

Support and Strengthen Clubs

Achieve at least 3 of the following goals:

- Achieve a net gain of 1 member
- Maintain or improve your club's retention of current and new members:
 - Improve your club's retention rate by 1 percentage point
 - If your club's retention rate was 90% or more in 2017-2018, maintain it
- Achieve a net gain in female members
- Have at least 60% of club members report their birth dates through My Rotary
- Sponsor or co-sponsor a new Rotary club
- Conduct a classification study of your members' occupations, and work to align your membership with the mix of businesses and professions in your community

Focus and Increase Humanitarian Service

Achieve at least 3 of the following goals:

- Sponsor a Rotary Community Corps
- Sponsor or co-sponsor an Interact or Rotaract club
- Contribute at least \$100 per capita to the Annual Fund (Rotary Foundation)
- Increase the number of members involved in service projects
- Hold an event to raise funds for, or to increase awareness of Rotary's work toward polio eradication
- Conduct a significant local or international service project in one of Rotary's six areas of focus

Enhance Public Image and Awareness

Achieve at least 3 of the following goals:

- Post successful club projects, with details about activities, volunteer hours and funds raised, on Rotary Showcase
- Use Rotary's brand guidelines, templates, People of Action campaign materials, and related resources
- Arrange for the club's members to talk with the media to tell your club's, and Rotary's, story
- Host an event for Rotary alumni, and highlight Rotary's networking opportunities
- Continue or establish a partnership with a corporate, governmental, or nongovernmental entity and work on a project together
- Sponsor a Youth Exchange student or RYLA participant

Under President Aaron's leadership our club earned the Rotary Citation in 2017-2018. Let's make it two in a row and add on the new "With Presidential Distinction". The goal isn't to earn a piece of paper, but to implement a program year that supports Rotary's strategic priorities and to have significance and balance in our club activities. When we achieve those objectives our club will Be the Inspiration!

The Object of Rotary

The Object of Rotary is to encourage and foster the ideal of service as a basis of worthy enterprise and, in particular, to encourage and foster:

FIRST the development of acquaintance as an opportunity for service

SECOND High ethical standards in business and professions, the recognition of the worthiness of all useful occupations, and the dignifying of each Rotarian's occupation as an opportunity to serve society

THIRD The application of the ideal of service in each Rotarian's personal, business and community life

FOURTH The advancement of international understanding, goodwill, and peace through a world fellowship of business and professional persons united in the ideal of service.

END POLIO NOW

Last week's advance notification of one wild poliovirus type 1 (WPV1) case in Helmand province has been confirmed. The case had onset of paralysis on 1 June. This brings the total number of WPV1 in 2018 (in Afghanistan) to 9.

No new cases of WPV1 were reported in Pakistan last week. The total number of WPV1 cases for 2018 (in Pakistan) is 3.

The 12 total cases in 2018 compares to 7 during the same period in 2017.
