Carly Harmer Junior League of the Emerald Coast

Carly Harmer is president of the Junior League of the Emerald Coast and project coordinator at Food For Thought Outreach.

The Junior League of the Emerald Coast, Inc. is an organization of women committed to promoting volunteerism, developing the potential of women, and improving communities through the effective action and leadership of trained volunteers. The JLEC's purpose is exclusively educational and charitable.

Carly grew up in Jensen Beach, Florida, and attended college at The Florida State University. She received a Bachelors of Science in Family and Child Sciences

Carly have lived on the Emerald Coast for close to five and a half years.

Rotary Foundation rises on expert list of top nonprofits

By Arnold R. Grahl
Rotary News

The Rotary Foundation has continued its steady growth, moving up 35 spots to 85th in The Chronicle of Philanthropy’s annual ranking of the top 400 nonprofit organizations in the United States. The ranking is based on monetary contributions from private sources and reflects the increasing generosity of those who support Rotary’s mission.

According to The Chronicle of Philanthropy, The Rotary Foundation received \$239,576,000 in 2013, a 32.4 percent increase from the previous year.

“This clearly shows our members recognize the unparalleled value of giving to their Foundation,” says John Hewko, Rotary’s general secretary. “They know that by giving to the Foundation their dollars have a much greater impact. And friends of Rotary respect that the Foundation puts their gift to great use.”

The Foundation recently earned a 4-star rating from Charity Navigator, the largest and most prestigious independent evaluator of nonprofits in the United States. In the 2013-14 Rotary year, 92 percent of the Foundation’s expenditures were applied to programs, with only 6 percent spent on fundraising and 2 percent on administrative expenses. The Foundation funded \$23.5 million in district grants and \$47.3 million in global grants. These grants support local and international humanitarian projects as well as scholarships.

Together with its partners in the Global Polio Eradication Initiative, Rotary has led the effort to eradicate polio, contributing more than \$1.3 billion to the initiative since its outset. When an outbreak of polio threatened the Horn of Africa and the Middle East in 2013, Rotary provided emergency funds, including a \$500,000 rapid-response grant for Somalia and a \$500,000 grant to the World Health Organization (WHO) to cover operational costs in the Middle East. As a result, the outbreak in the Horn of Africa slowed, and Syria reported only one case of polio in the first half of 2014.

Rotary is also at the forefront of efforts to fight other diseases. According to WHO, indoor air pollution causes 4.3 million deaths per year worldwide. To combat it, members of the Rotary Club of Taos-Milagro, New Mexico, USA, mobilized Rotary clubs in several countries to support the Himalayan Stove Project, which has installed more than 3,000 clean-burning stoves in Nepal.

In Tamil Nadu, India, Rotary clubs partnered with clubs in Maryland, USA, to use a Foundation global grant to purchase a large van and outfit it with X-ray equipment to screen women for breast cancer in hard-to-reach communities. The “mammobus” has conducted more than 2,500 free breast cancer screenings and detected and treated early-stage cancer in six women. Rotary members in Malindi, Kenya, teamed up with members in Maryland and Idaho, USA, to work with the Genesis World Mission in creating a rainwater catchment system to provide clean drinking water, irrigate crops, and establish fish farms in Burangi, Kenya.

UPCOMING SPEAKERS

- Dec. 17: Christmas Party at Ali’s Bistro
- Dec. 24: No meeting
- Dec. 31: No meeting
- Jan. 7: TBA

TODAY IN HISTORY

On this day in 1901, the first Nobel Prizes are awarded in Stockholm, Sweden, in the fields of physics, chemistry, medicine, literature, and peace. The ceremony came on the fifth anniversary of the death of Alfred Nobel, the Swedish inventor of dynamite and other high explosives.

On this day in 1941, 4,000 Japanese troops land on the Philippine Islands, while Japanese aircraft sink the British warships Prince of Wales and Repulse. Guam, an American-controlled territory, was also seized. British Prime Minister Winston Churchill finally exclaims, “We have lost control of the sea.”

On this day in 1969, a plane crash in Madison, Wisconsin, kills soul singer Otis Redding and members of the Bar-Kays band. The plane crashed into Lake Monona, several miles from the Madison airport.

TODAY IN LOCAL HISTORY

On this day in 1980, after hearing testimony from victims of home burglaries, Okaloosa commissioners passed an ordinance regulating coin dealers and jewelry stores. The ordinance said that such dealers could not buy goods from people less than 18 years of age, and that they must hold the property in their shops for at least five business days. Violators would be guilty of a misdemeanor and would be fined \$100-\$500 and be subject to up to six months in jail.

ROTARY’S FOUR-WAY TEST

- Is it the TRUTH?
- Is it FAIR to all concerned?
- Will it build GOODWILL and better FRIENDSHIP?
- Will it be BENEFICIAL to all concerned?
