Kay Stokes Memorial Scholarship

The Kay Stokes Scholarship is named for the late wife of our long time Rotarian Randy Stokes. Ms. Stokes graduated from White Cap Nursing College in Warren Ohio and then attended the Trumbull Memorial Hospital School of Nursing in Birmingham, Alabama. Kay worked at Fort Walton Beach Hospital and then was a pediatric nurse and practitioner at White-Wilson Medical Center.

The Kay Stokes Memorial Scholarships are awarded to qualified persons entering nursing or medical related fields. "Qualified persons" is defined as individuals who intend to achieve and are admitted to a program which leads to the CNA, LPN, RN, or medical admission certificate. The LPN or RN certificate may be in conjunction with an AS, AA, the BSN, or a graduate degree which is directly associated with and supports the profession of nursing or medical related fields.

Certificate-granting programs must be certified. Baccalaureate degree-granting programs must be accredited by the National League of Nursing (NLN) or the Commission on Collegiate Nursing Education (CCNE). Any resident of Okaloosa County may apply for the Kay Stokes Memorial Scholarship.

Application Due by July 15th.

Young writers get published with the help of Rotary

Rotary News

In Jamaica, 11-year-old Jordan Allwood reads his classmates a story about a lonely puppy who finds a new family.

The puppy grows into a big dog, enjoys walks along the beach, and survives a frightening autumn day when he is caught in a trap before being rescued by his family. Jordan's story is one of hundreds that were written by children ages 7-11 for a writing contest organized by the Rotary E-Club of the Caribbean 7020 and supported by clubs in 10 Caribbean nations.

The best stories, including Jordan's, were published in "The Butterfly StoryBook," an e-book produced by the club and sold through Amazon.com. Rotary members and others are encouraged to donate copies to school libraries. Proceeds are used to support other literacy efforts.

In July, Rotary International and the International Reading Association (IRA) selected the Butterfly StoryBook project and a summer mobile library project run by the Rotary Club of Ellensburg Morning, Washington, USA, to receive two \$2,500 awards from the Pearson Foundation. The awards recognize projects in which Rotary clubs and local IRA-affiliated reading councils collaborate to strengthen literacy in local and international communities. Rotary and the IRA have been project partners since 2002.

Diana White, a past district governor and member of the Rotary E-Club of the Caribbean 7020, says she got the idea for the story contest after a visit to the headquarters of Rotary International in Britain and Ireland (RIBI), which holds a number of well-publicized youth contests every year. White said a project that involved drafting rules and promoting a contest was perfect for the e-club. It turned to clubs throughout the district to solicit entries from local schools.

In 2013, the contest's first year, 200 children contributed stories. This year, 300 young writers took part. Each club selects three local winners, who receive certificates. Then a panel of judges from the e-club chooses 10 stories from among all of those to include in "The Butterfly StoryBook." Each of those young authors receives \$50 in books.

"It's been a great shot in the arm for our club, which only just chartered last year," says White. "We tried to think of things we could do specifically that didn't require everyone getting together in one place. This project has been more successful than we could have imagined and has been a great source of pride for our members."

This year, the e-club provided a free copy of the e-book to the Jamaica Reading Association, an IRA-affiliated council, which used it in its annual Reading Week in April. The association signed an agreement with the club to further promote the contest throughout the Caribbean. Rotary clubs in the U.S. Virgin Islands purchased 500 copies for the Summer Reading Challenge held there. Clubs have also purchased copies to donate to schools in Canada, Ethiopia, Haiti, India, and the United Kingdom.

The contest rules required each story to have a Caribbean theme, because the e-club wanted to share the culture of the region while encouraging creative writing. University students in Haiti translated the stories into French and Haitian Creole free of charge. The books are also available in English and will soon be available in Spanish.

"I'm really excited how this has all turned out," says White. "We still have a long way we can go with this project. There's no limit how far these books can be promoted through the Internet."

The Rotary Club of Ellensburg Morning and the IRA council based at Central Washington University collaborated on the second project to receive a Pearson Foundation award. Mandi Laurent, a member of the council, got the idea for a bookmobile, or mobile library, after attending a conference on summer reading loss.

Volunteers from the Rotary club, the IRA council, the local Rotaract club, and the Ellensburg Education Foundation solicit books from a variety of sources, sort them by grade level, and accompany the bookmobile, a converted delivery truck, to its stops in low-income neighborhoods every Tuesday in July.

TODAY IN HISTORY

On this day in 1776, General George Washington asks for a volunteer for an extremely dangerous mission: to gather intelligence behind enemy lines before the coming Battle of Harlem Heights. Captain Nathan Hale of the 19th Regiment of the Continental Army stepped forward and subsequently become one of the first known American spies of the Revolutionary War.

On this day in 1897, a 25-year-old London taxi driver named George Smith becomes the first person ever arrested for drunk driving after slam-ming his cab into a building. Smith later pled guilty and was fined 25 shillings. In the United States, the first laws against operating a motor vehicle while under the influence of alcohol went into effect in New York in 1910.

On this day in 1962, Rod Laver defeats fellow Australian Roy Emerson in four sets to win the U.S. Open. With the victory, Laver became the first man to win the tennis "Grand Slam" – four major tournaments in the same year – since Don Budge in 1938. Laver is the only man to accomplish the feat twice, having won the Grand Slam in 1969 as well.

On this day in 1983, Fort Walton Beach city councilmen violated Florida law when they failed to record minutes during 12 fiscal 1984 budget hearings.
