Today's Guest Speaker: Robert J. Arnold, Eglin AFB

Robert J. Arnold, a Senior Level executive, is Technical Adviser, 46th Test Wing, Air Armament Center, Air Force Materiel Command, Eglin Air Force Base, Fla. He provides technical guidance

to all echelons of the test wing. He is responsible for the Improvement and Modernization Program for wing facilities, and for reviewing test directives and technical reports. He assures that long-range planning activities are initiated and developed to meet future test capability needs. As chairman of the Eglin Mission Enhancement Committee, formerly the Eglin Encroachment Committee, he ensures that mission critical natural resources are preserved. He also is responsible for strengthening and expanding community partnerships locally, regionally and throughout the state of Florida.

Mr. Arnold began his career in industry as an aerospace engineer. Later he managed mis-

sile, A-7 and F-8 weapon programs at contractor, Navy, and Air Force test and evaluation facilities. In earlier positions with the Air Force, he led the A-10 and F-15 weapon test programs at Edwards Air Force Base, Calif.

At Eglin Air Force Base, Arnold has managed the testing and evaluation of nearly every weapon and aircraft type in the Air Force inventory. He formed the Corporate Plans Office, later the Requirements Directorate, for the Air Force Development Test Center, where he established and led the strategic planning program. He also institutionalized modernization planning and put into operation a command-wide, single-face-to-customer office. He established the Plans and Programs Directorate for a newly created Air Armament Center, and led plans for the inaugural Air Armament Summit to shape the future of air armament.

He has a Bachelor of science degree in aerospace engineering from the University of Florida and a Master of science degree in systems management from University of Southern California.

Philippe Miceli to lead the Club in 2006-07

At last week's Rotary meeting immediate Past-President Nitsi Bennett presented the slate of 2006-07 officers, as identified by the nominating committee which was comprised of other past-presidents. With a motion and a quick second, the slate was approved unanimously. Please be sure to thank

these Rotarians for willingly undertaking a leadership role in our Club.

WHOOOPS!!!

Apologies to all Rotarians who were left off last week's Rotarian Roster; there was a problem with the type face and some names did not appear. The difficulty appears to be corrected. Thank you for your understanding.

ROTARY FOUR WAY TEST

- 1) Is it the truth?
- 2) Is it fair to all concerned?
- 3) Will it build goodwill and better friendships?
- 4) Will it be beneficial to all concerned?

Do You Know....*the definition of Rotary?*

How do you describe the organization called "Rotary"? There are so many characteristics of a Rotary club as well as the activities of a million Rotarians. There are the features of service, internationality, fellowship, classifications of each vocation, development of goodwill and world understanding, the emphasis of high ethical standards, concern for other people, and many more.

In 1976, the Rotary International Board of Directors was interested in creating a concise definition of the fundamental aspects of Rotary. They turned to the three men who were then serving on RI's Public Relations Committee and requested that a one-sentence definition of Rotary

be prepared. After numerous drafts, the committee presented this definition, which has been used ever since in various Rotary publications:

"Rotary is an organization of business and professional persons united worldwide who provide humanitarian service, encourage high ethical standards in all vocations, and help build goodwill and peace in the world."

Those 31 words are worth remembering when someone asks, "What is a Rotary club?" _____

Horizons of Okaloosa County, Inc. Thank Rotarians

Dave Miller and the staff of Horizons of Okaloosa County, Inc. would like to thank all Fort Walton Beach Rotarians who participated in any way in the success of the Brighter Horizons Hen & Rooster Roast and Golf Tournament. Thanks for sponsoring a table or a hole, providing an auction item, donating food and drinks, and attending the Roast and/or Tournament. Special thanks to Wayne Campbell for all his hard work and gracious good nature while being roasted by the likes of Philippe Miceli and Bob Richburg. Preliminary figures indicate that we raised over \$35,000 for children and adults with disabilities!

CHRISTMAS ANGELS

The Fort Walton Beach Rotary Club is again participating in the Christmas Angel Tree Program, helping to make Christmas a special time for the needy children in our community. The Angel lists the child's shoe and clothing size and some wish list items for the child. You need only purchase one item on the list.

Please contact Kathy Pritchard or see Rhonda. Last day to drop off gifts is December 21, 2005.

Thank you in advance for helping make Christmas special for the children in our community.

THIS DAY

IN HISTORY....
