Today's Guest Speaker: Col. Bob Pappas

USMC, Retired

Col. Bob Pappas was born of Christian missionary parents, is a Florida native and lived overseas in Greece and the Far East. He graduated from Asbury College, worked for Blue Bird Body Co., and Monsanto Chemical Co. before beginning a vocation of service in the Marine Corps. He traveled incident to military service and independently throughout Europe and the Far East. He speaks several languages, has Masters Degrees in Military Science, International Relations and an extensive formal military education.

Col. Pappas joined the US Marine Corps in February of 1959 and retired in October 1989. He served two combat tours in Vietnam; and, flew 500 missions in the F-4 and OV-10 aircraft, was shot down and rescued thanks to the US Navy and a sharp eyed sailor from

Lebanon, Kentucky. His personal military awards include Legion of Merit (2), Distinguished Flying Cross (2), (Single Mission) Air Medal (2), (Strike Flight) Air Medal (24), Purple Heart, Meritorious Service Medal, Bronze Star (V), and Navy Commendation Medal.

After retirement from active military service Col. Pappas continued educational pursuits and worked for the State of Florida. He presently volunteers his time for civic, educational, fraternal and religious activities. He enjoys photography, biking (at age 60 he bicycled around the circumference of Florida), writing and physical activity.

Col. Pappas is married to his best friend, he has a stepson and daughter-in-law of whom anyone would be proud and two wonderful, magnificent, lovely, precious, heart-melting grandchildren...and the Colonel says he isn't partial!

What Paul Harris Said...

"With so many capable and devoted friends, all feeling responsibility for the future of Rotary, we may reasonably expect to turn out a piece of twentieth century mechanism which will constitute an agreeable surprise to ourselves and to the rest of the world."

Paul P. Harris
 The National Rotarian,
 November 1911

ROTARY FOUR WAY TEST

- 1) Is it the truth?
- 2) Is it fair to all concerned?
- 3) Will it build goodwill and better friendships?
- 4) Will it be beneficial to all concerned?

Do You Know...*the origin of the Four-Way Test?*

One of the most widely printed and quoted statements of business ethics in the world is The 4-Way Test. It was created by Rotarian Herbert I. Taylor in 1932 when he was asked to take charge of the Chicago-based Club Aluminum Company, which was facing bankruptcy. Taylor looked for a way to save the struggling company mired in depression-caused financial difficulties. He drew up a 24-word code of ethics for all employees to follow in their business and professional lives. The 4-Way Test became the guide for sales, production, advertising, and all relations with dealers and customers, and the survival of the company was credited to this simple philosophy.

Herb Taylor became president of Rotary International during 1954-55. The 4-Way Test was adopted by Rotary in 1943 and has been translated into more than 100 languages and published in thousands of ways. The message should be known and followed by all Rotarians. "Of the things we think, say or do: 1. Is it the TRUTH? 2. Is it FAIR to all concerned? 3. Will it build GOODWILL and BETTER FRIENDSHIPS? 4. Will it be BENEFICIAL to all concerned?"

ROTARY READING PROGRAM Your Participation is ESSENTIAL!

The Rotary Reading project is the Club's Community Service Project for the 2005-06 year. The program involves Rotary members serving as mentors in elementary schools and assisting children with their reading skills. The program (for Rotary purposes) begins March 1st and ends in Mid May when school is out.

The Reading Program typically involves spending 30 minutes per week with a child. The Rotary Member goes to the school and has the child read to you aloud; or the adult and child can take turns reading to one another. Reading aloud improves comprehension and helps

build confidence in the children. It is at once, an easy and rewarding program for all participants.

Your participation is ESSENTIAL in this project. We need 25% club participation to help this project qualify for the President's Citation Award. If you already mentor, please give your information to Kathy Pritchard as this will count towards our Club's participation in the program.
