WHAT PAUL HARRIS SAID...

"Smiles are the badges of friendliness. There are plenty of them within you. Do not hold them captive. Set them free at right times and places and their beneficent effects will carry to the very gates of eternity."

Paul P. Harris, 'The Road I Have Traveled' published in the Rotarian February 1934

Happy April Birthday!

ROTARY FOUR WAY TEST

- 1) Is it the truth?
2) Is it fair to all concerned?
3) Will it build goodwill and better friendships?
4) Will it be beneficial to all concerned?

Do You Know...*Rotarians should be guided by tolerance?*

Occasionally, there is a temptation to criticize the laws, customs, and traditions of another country that may seem strange or contrary to our own. In some instances, illegal practices or customs of one nation are completely lawful and acceptable in another.

As members of an international organization dedicated to world understanding and peace, it behooves Rotarians to exercise restraint in judging our Rotary friends and citizens from other countries when their behavior seems unusual to us. A Rotary policy has existed for more than half a century relating to this dilemma of international relationships.

The statement, adopted in 1933, says that because it is recognized that some activities and local customs may be legal and

customary in some countries and not in others, Rotarians should be guided by this admonition of tolerance:

"Rotarians in all countries should recognize these facts and there should be a thoughtful avoidance of criticism of the laws and customs of one country by the Rotarians of another country." The policy also cautions against "any effort on the part of Rotarians of one country to interfere with the laws or customs of another country."

As we strive to strengthen the bonds of understanding, goodwill, and friendship, these policies still provide good advice and guidance.
