WHAT PAUL HARRIS SAID...

"It has been the way of Rotary to focus thought upon matters in which member are in agreement, rather than upon matters in which they are in disagreement. Rotary has satisfactorily demonstrated the fact that friendship can easily hurdle national and religious boundary lines."

 "This Rotarian Age"

ROTARY FOUR WAY TEST

- 1) Is it the truth?
- 2) Is it fair to all concerned?
- 3) Will it build goodwill and better friendships?
- 4) Will it be beneficial to all concerned?

## Do You Know... *about World Community Services?*

World Community Service (WCS) is the Rotary program by which a club or district in one country provides humanitarian assistance to a project of a club in another country. Typically, the aid goes to a developing community where the Rotary project will help raise the standard of living and the quality of life. The ultimate object of World Community Service is to build goodwill and understanding among peoples of the world.

One important way to find a club in some other part of the world that needs help on a worthy project is to use the WCS Projects Exchange, a list of hundreds of worthy activities in developing areas that is published semi-annually. The exchange list is maintained at the RI Secretariat in Evanston and is readily available upon request. It outlines projects, provides estimated costs, and gives names of the appropriate contacts. The WCS Projects Exchange list and the database, which is

updated monthly, are accessible via the RI Web site at [www.rotary.org](http://www.rotary.org).

Clubs seeking help with a humanitarian project may register their needs, and clubs seeking to assist a World Community Service project may easily review the list of needs registered in the Projects Exchange. Thus, the exchange provides a practical way to link needs with resources.

Every Rotary club is urged to undertake a new World Community Service project each year. The WCS Projects Exchange list is an excellent tool to find a real need, a project description, and cooperating club in a developing area. The job then is to "go to work" to complete the project, and at the same time build bridges of friendship and world understanding.
