## WHAT PAUL HARRIS SAID...

"Rotary is simple, genuine, true. It abhors deceit and pretentiousness, and had rather run the risk of under-rating than to run the risk of over-extolling its own virtues."

## Do You Know...the Rotary Classification Principle?

By Cliff Dochterman, former RI President  
Courtesy of ABC's of Rotary

Virtually all membership in Rotary is based upon a "classification." Basically, a classification describes the distinct and recognized business or professional service that the Rotarian renders to society.

The principle of Rotary classification is somewhat more specific and precise. In determining the classification of a Rotarian, it is necessary to look at the "principal or recognized business or professional activity of the firm, company, or institution" with which an active member is connected or "that which covers the active member's principal and recognized business or professional activity."

It should be clearly understood that classifications are determined by activities or services to society rather than by the position held by a particular indi-

vidual. In other words, if a person is the president of a bank, he or she is not classified as "bank president" but under the classification "banking."

The classification principle also permits businesses and industries to be separated into distinct functions such as manufacturing, distributing, retailing, and servicing. Classifications may also be specified as distinct and independent divisions of a large corporation or university within the club's territory, such as a school of business or a school of engineering.

The classification principle is a necessary concept in assuring that each Rotary club represents a cross section of the business and professional service of the community.

### Bill Bowlegs Amateur Golf Tournament

The Golf Committee kicked off the annual 44th Annual Billy Bowlegs Amateur Golf Tournament sales campaign for the 2007 year. Each Rotarian was assigned to a team and asked to solicit sponsorships for the tournament which raises money for the Club's Scholarship Fund.

If you know that you have repeat sponsors, please let the Golf Committee know as soon as possible. Sponsorship forms are available at Rhonda's desk or at the FWB Rotary website at [www.fortwaltonrotary.org](http://www.fortwaltonrotary.org).

Remember that the Rotarian that secured a sponsorship has priority and that sponsor is protected for two years, all others are fair game. Please help us raise lots of money for the Scholarship Fund. THANK YOU!!!!

### Help Wanted Speaker Committee Coordinator

President Elect Gerry Chalker is seeking candidates to head the Speakers Committee for 2007 -2008. This person needs to obtain and track (and possibly introduce) the speaker for each Rotary meeting. It is not that difficult a job and our members will assist in lining up a lot of the speakers we have.
