**Julie Terrell** is the Director of the Choctawhatchee Basin Alliance (CBA), a program of Northwest Florida State College (NWFSC), and Director of NWFSC's newest location—the South Walton Center in Santa Rosa Beach. In her current role, she is responsible for coordinating programs within the community that promote CBA's mission to sustain and provide optimum utilization of the Choctawhatchee Basin watershed and develop programs that meet the educational needs of the South Walton Community.

Prior to working with CBA, Julie worked at the University of Florida as a regional coordinator with the Florida LAKEWATCH program. She received her Bachelor of Science in Forest Resources and Conservation and a Master of Science in Fisheries and Aquatic Sciences from the University of Florida.

## THE OBJECT OF ROTARY

The Object of Rotary is to encourage and foster the ideal of service as a basis of worthy enterprise and, in particular, to encourage and foster:

- FIRST. The development of acquaintance as an opportunity for service;
- SECOND. High ethical standards in business and professions; the recognition of the worthiness of all useful occupations; and the dignifying of each Rotarian's occupation as an opportunity to serve society;
- THIRD. The application of the ideal of service in each Rotarian's personal, business, and community life;
- FOURTH. The advancement of international understanding, goodwill, and peace through a world fellowship of business and professional persons united in the ideal of service.

## THE ROTARY FOUR WAY TEST

- 1) Is it the truth?
- 2) Is it fair to all concerned?
- 3) Will it build goodwill and better friendships?
- 4) Will it be beneficial to all concerned?

## Quote of the Day

"I know not with what weapons World War III will be fought, but World War IV will be fought with sticks and stones."  
 - Albert Einstein (1879-1955) U. S. (German-born) Physicist

## NEW MEMBER SPOTLIGHT

John Weaver is the District Executive for the Gulf Coast Council of the Boy Scouts of America. He is married to Tammy and has two children, William and Victoria. John grew up 30 miles south of Washington, DC in LaPlata, Maryland. After high school, he enlisted in the United States Marine Corps for 6 years. John graduated from the University of Tennessee in December 2000. He is currently living in Fort Walton Beach while his wife and children remain in Tennessee to sell their house.

## MELBOURNE CLUB PARTNERS WITH HOMELESS AGENCY TO PROVIDE SHELTER FOR CITY'S POOR

More than 65 people in Melbourne, Victoria, Australia, have a roof over their heads after moving into the newly built Elizabeth Street Common Ground, a facility that provides affordable apartments, mental health services, employment assistance, and medical referrals to the homeless. In partnership with HomeGround Services, the city's largest homeless support agency, the Rotary Club of Melbourne raised US\$32,000 to furnish rooms in the facility. More than 40 club members each spent 35 days last year moving and assembling furniture and preparing apartments for the tenants.

"This project brings the community together in so many ways," says Philip Endersbee, 2010-11 president of the Melbourne club. "Businesses, neighbors, and tenants have all become involved. Everyone in the community feels a bit of ownership."

The Elizabeth Street Common Ground opened in August with 161 apartments on 11 floors, and a 24-hour concierge. The initiative, based on projects in New York City, provides housing for individuals who became homeless because of drug addiction, mental illness, physical disability, or job loss.

Endersbee says helping the homeless is now one of his club's top priorities, and will be a backbone of its community involvement for years to come.
