Jeannie Quave
District Governor
Rotary District 6940

District Governor Jeannie Quave

Jeannie was born and raised in Glenview, a suburb of Chicago, Illinois. She attended the University of Tennessee at Martin and studied Business. After college she relocated to Panama City Beach, Florida where she began her career in real estate with Edgewater Beach Realty, Inc. where she has been employed for over twenty five years.

In 1995 she became the Broker for Edgewater Beach Realty, Inc. and ran the daily operations of five branch offices. She assists in the development, design, marketing, and pricing of condominiums. Jeannie is an active selling Broker and specializes in condominium and residential properties. Jeannie also serves on the Foundation Board of Gulf Coast Community College and was recently selected to serve on the Athletic Advisory Board at the college as well. She is active in sports personally and with her children. She works out daily and enjoys any out door sports. She served on the "Sun Run" Committee for the College which raised over \$50,000 for the marathon event.

She joined Rotary in 2001 and has served as the President of the Panama City Beach Rotary Club, the Membership Chairman and is a Paul Harris Fellow recipient. She is a Benefactor, a Paul Harris Society Member, and Major Donor to the Foundation. Jeannie was the Assistant Governor for Area 4 from 2005-2008. She was the Area 4 GSE team Coordinator and served as a host family for teams in from India, Australia, Italy, and France. She has served as District Co-Membership Chair and sits on the District 6940 Foundation Board. Jeannie is the President of the Miracle League of the Emerald Coast and was instrumental in leading a three year project to complete a Miracle League Field. The league is in its' second year of successful operation. One of her greatest "Rotary Moments" was being the recipient of the "Rotarian of the Year" award in 2005-2006.

Jeannie loves to read, go to the movies, and entertain at home! She sings in her church choir and serves as a layperson on the BOD. She has two daughters, Olivia, age 13, and Molly, age 12. She loves to travel with her daughters, includes them in most of her humanitarian efforts, and is so proud of the fact that every year on their birthday they collect donations or funds for a charity of their choice instead of accepting birthday gifts! Future Rotarians indeed!

THE OBJECT OF ROTARY

The Object of Rotary is to encourage and foster the ideal of service as a basis of worthy enterprise and, in particular, to encourage and foster:

- FIRST. The development of acquaintance as an opportunity for service;
- SECOND. High ethical standards in business and professions; the recognition of the worthiness of all useful occupations; and the dignifying of each Rotarian's occupation as an opportunity to serve society;
- THIRD. The application of the ideal of service in each Rotarian's personal, business, and community life;
- FOURTH. The advancement of international understanding, goodwill, and peace through a world fellowship of business and professional persons united in the ideal of service.

THE ROTARY FOUR WAY TEST

- 1) Is it the truth?
- 2) Is it fair to all concerned?
- 3) Will it build goodwill and better friendships?
- 4) Will it be beneficial to all concerned?

Quote of the Day

"Rotary is one of the best sources of establishing friendship because it offers an occasion to know people, and once we know people, generally we learn to like them."

- Paul Harris (1868-1947) Founder of Rotary International

WORLD POLIO DAY

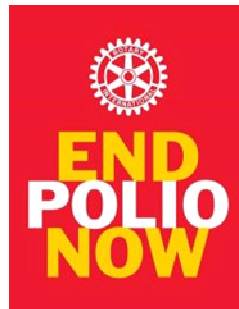

Demonstrate support for Rotary's End Polio Now campaign and promote Rotary in your community by planning an event around World Polio Day, 24 October.

Many Rotarians have already gotten started. Australian club members are working with the Global Poverty Project on a petition drive to persuade world leaders to fully fund the critical work of the Global Polio Eradication Initiative. Supporters can sign the petition online.

The Global Poverty Project is planning an End of Polio Concert on 28 October to coincide with the Commonwealth Heads of Government Meeting in Perth, Australia. Rotarians have teamed up with the group to lobby leaders to put polio eradication on the agenda. Hugh Evans, cofounder and CEO of the Global Poverty Project, will be a speaker at the 2012 RI Convention in Bangkok, Thailand.

Since 1985, eradicating polio has been Rotary's top priority. Largely through the efforts of Rotarians and the Global Polio Eradication Initiative, the campaign is "this close" to its goal. Polio cases worldwide decreased by more than 40 percent during the first eight months of 2011, compared with the same period in 2010. And India -- one of the four countries where the virus remains endemic (the others are Afghanistan, Nigeria, and Pakistan) -- reported only one case during that time.

As of September, Rotarians have raised US\$190 million toward Rotary's US\$200 Million Challenge to match \$355 million in grants from the Bill & Melinda Gates Foundation.

NEW MEMBER PROPOSAL

Charlie Palmer has been proposed for membership in our club by Andy Corbin. Charlie is a developer in Georgia and in the local area. He is also very involved with the First Tee organization whose mission is to impact the lives of young people by providing educational programs that build character, instill life-enhancing values and promote healthy choices through the game of golf. Unfortunately, Charlie is also a dedicated War Eagle and our quota for such persons may be at its limit.
