THE OBJECT OF ROTARY

The Object of Rotary is to encourage and foster the ideal of service as a basis of worthy enterprise and, in particular, to encourage and foster:

- ... FIRST. The development of acquaintance as an opportunity for service;
- ... SECOND. High ethical standards in business and professions; the recognition of the worthiness of all useful occupations; and the dignifying of each Rotarian's occupation as an opportunity to serve society;
- ... THIRD. The application of the ideal of service in each Rotarian's personal, business, and community life;
- ... FOURTH. The advancement of international understanding, goodwill, and peace through a world fellowship of business and professional persons united in the ideal of service.

THE ROTARY FOUR WAY TEST

- 1) Is it the truth?
- 2) Is it fair to all concerned?
- 3) Will it build goodwill and better friendships?
- 4) Will it be beneficial to all concerned?

Quote of the Day

"Democratic nations must try to find ways to starve the terrorist and the hijacker of the oxygen of publicity on which they depend."

- Margaret Thatcher (1925-) Former British Prime Minister

TIPS—MARTHA STEWART STYLE

- « OLD telephone directories make ideal personal address books. Simply cross out the names and address of people you don't know.
- « FOOL other drivers into thinking you have an expensive car phone by holding an old TV or video remote control up to your ear and occasionally swerving across the road and jumping the curb.
- « DRILL a one inch diameter hole in your refrigerator door. This will allow you to check that the light goes off when the door is closed.
- « SAVE electricity by turning off all the lights in your house and walking around wearing a miner's hat. off when the door is closed.
- « LOSE weight quickly by eating raw pork or rancid tuna. I found that the subsequent food poisoning and illness enabled me to lose 12 pounds in only 2 days.
- « SAVE on charity donations by spending a dollar on clothes at a charity shop, then selling them for 50 cents to another charity shop. This way you can give twice as much, at half the cost. I think.

UN, ROTARY CELEBRATE SPECIAL RELATIONSHIP

More than 1,000 Rotarians, UN officials, Rotary youth program participants, and guests celebrated the special relationship between Rotary and the United Nations on 5 November.

Rotary-UN Day, held annually at United Nations headquarters in New York City, included panels on health, water, and literacy, highlighting Rotarian projects that advance the goals of the UN and improve lives around the world.

Kiyo Akasaka, UN undersecretary-general for communications and public information, commended Rotary for its ongoing collaboration with the United Nations to improve the health of children worldwide, and for its contribution to polio eradication.

"Our shared vision for a safer and better world is what brings us together here today," Akasaka said. "It's your model of Service Above Self and your sterling results in improving health that makes Rotary one of the most important partners of the UN."

Peace and justice

Both organizations are striving to create a more peaceful and just world, noted RI President-elect Sakuji Tanaka. "If you were to seek the one idea, the one goal that is at the core of Rotary, you would find the same goal that you find in the charter of the UN: to practice tolerance and live together in peace with one another as good neighbors," Tanaka said.

Timothy E. Wirth, president of the United Nations Foundation and Better World Fund, stressed the importance of partnerships.

"Secretary-General Ban Ki-moon recognizes that every problem the UN faces cannot be [solved] by the UN alone," he said, adding that Rotary's "understanding and commitment to partnerships will make so many of these goals we share possible."

Rotary Leadership Institute (RLI)

The Rotary Leadership Institute (RLI) is a multi-district, grassroots leadership development program of member districts organized into regional divisions in various parts of the world.

RLI is not an official program of Rotary International and is not under its control.

RLI seeks to have Rotary Clubs in its member districts identify those Rotarians who appear to have the potential for future club leadership (not necessarily as club presidents) and provide those so identified with a quality education in Rotary knowledge and leadership skills so important in voluntary organizations.

The Sunshine Division of RLI will offer Courses 1, 2 and 3 on January 21st in Tallahassee. The courses must be taken in order and each one takes approximately seven hours to complete. Each course costs \$95 and the club will pay tuition for the first five FWB Rotarians who sign up. For more information, see the RLI website at <http://www.rlitraining.org>.
