## What is RLI & Why Should You Attend?

The Rotary Leadership Institute (RLI) is a multi-district, grassroots leadership development program of member districts organized into regional divisions in various parts of the world. It is not an official program of Rotary International and is not under its control. The RLI seeks to have Rotary Clubs (and also Rotaract Clubs) in member districts identify those members who seem to have the POTENTIAL for future club leadership (not necessarily as club presidents) and provide those so identified with a quality education in Rotary knowledge and leadership skills for voluntary organizations.

### What to expect at RLI

RLI is an interactive experience with fellow members from different clubs in small classrooms with up to 15 attendees per room. The sessions are led by RLI qualified and trained Discussion Leaders who only serve to stimulate and facilitate discussion in harmony with the course curriculum. RLI attendees learn from participating in the discussion and also working with others in problem solving group exercises.

### RLI Philosophy

"Having leadership skills does not alone assure good Rotary leadership. An effective Rotary leader must ALSO have Rotary knowledge, perspective about where Rotary has been, where it is now going and a vision of what Rotary can be."
