## Leslie Smith Rotary Youth Camp

Leslie Smith, executive director of Rotary Youth Camp, has lived in Tallahassee all her life. Even though she was born and raised a Gator, she graduated from FSU with a degree in Family, Child and Consumer Sciences.

She has also been associated with Rotary all her life, being the daughter and granddaughter of Rotarians. And is now a member of the Rotary Club of Tallahassee Sunset.

Leslie has been part of Rotary Youth Camp since inception in 1995.

She began as a counselor after being "snookered" into attending camp. After working her way up through the ranks of the camp, she became director in 2000.

The mission of the Rotary Youth Camp, Inc. is to help children with physical or mental disabilities have social and physical interactions with other children while developing life-long relationships with each other and the counselors.

The objectives of RYC are to expose and engage the children to camp activities such as swimming, horseback riding, camp outs, dances, crafts and a variety of social activities. Through their participation in these activities, the children experience independence and success that they can carry with them into their daily lives.
